JOSIAH TURNER, Jr., EDITOR.

THURSDAY, JANUARY 13, 1870.

38th SENATORIAL DISTRICT.

THE BANNER COUNTY OF RADICALISM Redeemed!

GLORIOUS RESULT!

LARGE DEMOCRATIC GAINS!

G. M. WHITESIDE, THE CONSERVATIVE CANDIDATE, TRIUMPHANTLY ELECTED TO THE SENATE FOR THE 38TH DISTRICT!!

Below we give the vote as far as heard from:

Whiteside,	724	majority 3
Logan,	721	
CLEAVELAND.		
Whiteside,	743	majority 583
Logan,	160	
Whiteside's majority,		583

We congratulate the Conservative party of the State upon the glorious result.

We are indebted for the above to an extra from the office of the *Visdicator*. The vote of Polk county will not vary the above majory much either way.

This is but "the beginning of the end." We learn from gentlemen from various points in the Western counties, that the changes going on there are unprecedented in the political history of the State. The heavy taxes, extravagant expenditure of the public money, frauds in the Railroad bonds, incompetency of Radical officials, the attempt to cheat the people by prolonging the terms of office, and finally Shoffner's bill, which threatens a blow at the foundation of liberty, has aroused the people to active opposition to the Radical party, and a determination to hurl them from place and power.

PROTRACTED MEETING.

The meeting held in the Court House on Monday last was adjourned to 7 o'clock Tuesday night. When the hour arrived, Capt. DeCartret called the meeting to order. Mr. A. Miller offered a series of resolutions which will be found in another columns. A. H. Galloway, the colored Senator from New Hanover, to the astonishment of every one, arose and asked that he might be allowed to second the resolutions, which he desired to see adopted with three cheers for the venerable grey haired man who offered them. "The brains of the party," as Galloway is called, delivered a speech replete with good sense and good feeling, assuring the whites that the eighty thousand colored men for whom he spoke, were ready to meet them in the true spirit of conciliation and concession, and join them in building up the waste places of our good old State.

The resolutions were unanimously adopted with three hearty cheers for Mr. Miller. Col. Davidson of Buncombe was called on to speak for the trans-mountain country, which he did in a handsome style, speaking against the suspension of the writ, the accumulation of taxes, and the prolongation of the Legislative tenure.

Senator Robbins was next called, who gave us one of his best speeches, full of earnestness, eloquence and truth. Friday Jones put many questions to Mr. Robbins, and entered into a running debate with him, which lasted some time; Mr. Robbins pleasantly answered Friday, more to his conviction than his gratification.

We followed Mr. Robbins, and denounced as enemies to God and man, any and all men who should attempt to suspend the writ of *habeas corpus*. We denounced the Leagues in the language of Governor Holden, "as enemies to Republican Government." We mentioned the fact that Leaguers in Wilson, gave a Democratic negro 300 lashes, and for it were convicted and sentenced to thirty days imprisonment, and the Governor, being President of the League, pardonded and turned them out of jail. The Governor's Uncle Friday, rose at this portion of our speech and condemned the League and Governor, which brought down the house with shouts and hurrahs.

Col. Malone was next called, who excused himself with a short pleasant speech.

Dr. Murphy, of Sampson, said it was good to behold and to be at such meetings; he therefore moved that the meeting adjourn until 7 o'clock, Wednesday night.

Lorenzo Dow, would call these meetings refreshing seasons. Mr. Murphy said "it was good to be there," and so it was; Radicalism, even in Raleigh, can't live under such demonstrations of public disapprobation.

ANOTHER CONTEMPT CASE—STEPHEN SLADE IN CONTEMPT.

Nancy Powell, a colored woman of Caswell, sued Stephen Slade, a colored man, for work done, and the warrant was returned before Jimmy Jones, known in that region as "Holden's weeping Squire." But Stephen said, he wanted "Mas' Tom Harrisons to try the case."

"Why so?" asked Squire Jones.

"Because he will do me justice," said Stephen.

"Do you think I will do you injustice?" asked the weeping Squire.

"I do," said Stephen.

Jones then told him to make an affidavit of it, and some other magistrate should try the case. The affidavit was drawn and sworn to, and there, for the time, the case rested.

Stephen went home, but during the night, the weeping Squire thought it a case of *contempt*, and entered a fine of $100 against Stephen, and sent and had him arrested. He was taken to Yanceyville and delivered to the Sheriff to be put in jail.

Judge Kerr was applied to, who drew up an answer for Stephen, purging him from contempt and prevailed on the Sheriff to take him and his answer back to Squire Jones. This was done, and the Squire, on reflection, concluded that Stephen was "excused but not acquitted."

Jones was a rantankerous Confederate during the war; he afterwards joined the league, and Holden made him a J. P. It is said in Caswell that when he joined the league, Giles J. Freys and other respectable negroes refused to shake hands with him, which so affected him that he shed tears, and hence his *sobriquet*, "The Weeping Squire."

COL. MOORE OF CHOWAN.

This gentleman, member of the Bar and of the General Assembly, and ex-Colonel of the "Lost Cause," we are pleased to see, has returned to his seat in the House, after spending the recess among his friends and constituents at Edenton.

A gentleman from "down East," gives us the facts of a public meeting in Edenton, on the night of Christmas day, in which the Colonel figured somewhat prominently. A meeting had been called by the Radicals to nominate candidates for municipal offices of the town, at which Col. Moore was called on to preside. The meeting was composed of six whites and 150 colored. Bill Horton was nominated for Mayor, through the Colonel's influence, it was thought, who, in return for the compliment introduced a resolution endorsing the Colonel as a Legislator, and thanking him &c., &c., for his gallant and efficient service in the Legislature.

The Resolution was about being put, when John Page, an intelligent colored man, arose and suggested that the meeting was composed of only six white men and about 150 colored men, and that the latter knew nothing of what the Colonel had done in the Legislature, and he thought they ought to be informed on this subject before voting on the Resolution.

The Colonel, thereupon, bounded to his feet and asked what he had done that Page objected to. Page answered that he did not know what he had done and therefore could neither object nor approve.

Col. Moore said, if they did not know what he had done, it was not his fault, for, on his arrival in Raleigh the first thing he did was to subscribe for fifty copies of the *Standard* and forward them to Mr. Harry Gilliam, Mr. Solomon Wood, Mr. Jake Rembry, Mr. Lewis Capeheart, Mr. Tom Johnston, Mr. Jack Norfleet, Mr. William Dillard, Mr. John Hachins, Mr. Cuffey Hathaway and many others. He then went on to state what he had done, and how he had voted on various measures, &c.

John Page replied that, even if he had sent the papers as stated, he, (the Colonel,) knew very well the negroes to whom he sent them could not read them, and he didn't intend their ignorance should be taken advantage of, and he moved to lay the resolution on the table, and the motion prevailed.

Thus the Colonel failed to receive the endorsement of his party, at his own home.

This may appear very strange to Republicans not posted in certain facts, as John Page was. Page, no doubt, remembered the fact that, when the Colonel was in command of the Chowan militia, during the late war, he collected all the boats, scows, flats, canoes and other water craft, in the county, took them up a certain creek and had them guarded, to prevent the negroes using them to escape to the Federal army.

He also remembered the fact, perhaps, that when the Southern army surrendered, and the Colonel took the amnesty oath, he endorsed on the back of it a protest against the clause of the oath emancipating the slaves. John also remembered, no doubt, that the Colonel had endeavored to induce all the owners of lots and houses in Edenton not to let any negroes live on their premises.

That failing in this enterprise, he endeavored to get up a subscription to hire a Catholic Priest to settle in Edenton, in order to induce Irish and German Catholics to come there as servants and drive out the negroes.

It is not surprising, if John recollected these things, and it is reasonable to suppose he did, that he should feel some hesitancy in "going it blind" in favor of a resolution endorsing the "gallant and efficient" services of the Colonel in the Legislature.

John did not know, probably, that the Colonel, was in New York, last Fall, when our Governor and Treasurer, and the Railroad Presidents were there, and that, when an investigation of matters connected with that memorable meeting was up before the Legislature, the Colonel rendered "gallant and efficient" service in pushing the investigation forward, and rendered great aid in ferreting out the enormous frauds of certain State officials. (That is, over the left, as we say.) We say, John may not have known all this, and if he had, it would probably have made no difference in his action on the occasion alluded to. Nor could John have known anything of the Colonel's getting a little burnt among the Bulls and Bears of Wall Street, on the visit above alluded to, so as to arouse his sympathies in his endorsation by the Edenton Raids.

The Legislature of North Carolina.

SENATE.

WEDNESDAY, Jan. 12, 1870.

Mr. White presented the credentials of Mr Jessee Blythe, Senator elect from the 4th Senatorial District.

Mr. Respass presented a petition, from the citizens of Washington, N. C., asking the repeal of the act amending the charter of that town, which was referred.

BILLS INTRODUCED.

YEAS—Mr. Burns and A. H. Galloway, (col.)—2. Nays 29.

Resolution (of Mr. Blythe) to reduce the *per diem* of the members and officers of the General Assembly one-third, and instructing the Committee on Salaries and Fees to report a bill reducing the salaries of all State officers, excepting the Judges of the Supreme and Superior Courts.

Mr. Blythe urged the adoption of the resolution and said he offered it in good faith, if retrenchment was to be made, he thought it should begin at home, and then he could vote with a better grace to reduce the salaries of others.

Mr. Lindsay said he agreed with the Senator from Henderson, and had always been opposed to this $7 per day and all other extravagant appropriations, had tried in the early part of the session to have them reduced, but failed. He was afraid the sympathies of the Senator from Henderson for the poor down-trodden people were aroused too late to accomplish much good, but to try the Senator's faith he would offer an amendment, which would prove to be something substantial if adopted, and offered the following, "and shall also refund one third of the *per diem* heretofore received."

Mr. Welker said he had heretofore opposed those Buncombe resolutions (some one suggested that they be called the Henderson resolutions), he would accept the amendment, however, he understood why they were introduced, and in order to try the faith of the Senator from Henderson, he would depart from his usual custom and vote for the amendment offered by the Senator from Rockingham.

A. H. Galloway, col. moved a reference of the whole subject to the Committee on Propositions and Grievances.

J. A. Hyman, col. moved the indefinite postponement of the whole matter, which was lost. Ayes—Messrs. Colgrove, Eppes, col., Fiythe, Galloway, col., Harrington, Hyman, col., and Smith—7. Nays—30.

UNFINISHED BUSINESS.

The motion to reconsider the vote by which the bill fixing the fees of county Treasurers, was laid on the table.

The motion failed for the want of a quorum voting.

The motion to reconsider was renewed and the yeas and nays were called for.

On motion of Mr. Malone, the rules were suspended and the bill making valid the election of certain Justices of the Peace elected on the 1st Thursday in August 1869, was taken up.

The question recurred upon a substitute for the bill offered by Mr. Malone.

Mr. Bowman offered an amendment as an additional section legalizing an election in Township 17 in Mitchell County, which was

PUBLIC MEETING IN CASWELL.

A large number of the people of Caswell assembled in the Court House on Saturday the 8th instant to take into consideration the present state of public affairs in the State, That "often tried and never found wanting" public servant, the Hon. Bedford Brown, was called to the chair, and Col. Robt. B. Watt and Col. George Williamson were appointed secretaries.

On motion a committee of three was appointed, to prepare and offer resolutions, for the consideration of the meeting. Col. Brown on taking the chair thanked his fellow citizens for the honor conferred upon him, and said that a more deeply, solemn and important crisis in public affairs than the present has never occurred. We are threatened, said the honorable chairman, with an act of gross usurpation on the part of our representatives, who though chosen for two years only, are now arrogantly claiming to hold on to their places for *four* years in violation of the constitution and in contempt of the people; and in addition to this, we are threatened with the loss of all our rights, by the passage of a bill by the Legislature, which if it becomes a law will place us *in time of peace under military rule*, and by depriving us of the inestimable right to the writ of *habeas corpus* will place the liberty of the citizens at the mercy of the Governor. He also adverted in strong terms to the profligate appropriations made by the Legislature and the general recklessness of our public functionaries, and called upon his fellow citizens to remember their past condition and contrast it with their present, and let it animate them to proper exertions in maintenance of their rights and liberties. He made other most appropriate remarks and his address was received by the assembly as all his addresses are received by the people of Caswell, with profound respect, the fruit of unlimited confidence in his public and private integrity and his enlightened patriotism.

While the committee on resolutions were out Mr. Hodnett, *our only* representative in the Legislature, was called up and in response, made an admirable address; in the course of which he declared the recklessness and haste with which measures of the gravest importance were introduced and hurried through the Legislature. Mr. Hodnett spoke in terms of just indignation of the bill now before the House of which he is now a member, to establish military rule in the State, and called special attention to the financial ruin in which those now in power have involved the State. When Mr. Hodnett concluded his address the committee on resolutions, made their report as follows, to-wit:

WHEREAS, We the people of Caswell, now in public assembly, do assert our inalienable rights so to meet together, and declare our sentiments in regard to public men, and public measures, and to instruct our Representatives, and whereas we have heard with indignation of the claim of certain of our public functionaries now in office by virtue of an election for two years only, to retain their places and continue to increase their functions for four years longer than the term for which they were elected, and we have also learned that a Bill is now pending in the Legislature, and has actually passed one house, which by its provisions, should it become a law, would restore Military government in the State, and by empowering W. W. Holden, to declare at his own will and pleasure, any county or counties in a state of insurrection and rebellion, and to cause the right to the writ of *habeas corpus* to be suspended, would clothe him, the said W. W. Holden with Despotic Powers, and thus lay all our people prostrate at the feet of an unscrupulous tyrant. Now in view of a crisis so appalling, so full of portents of evil, we do most solemnly

Resolve, That by all the means in our power we will assert and maintain our birth right to Republican Liberty; and will resist to the utmost of our rightful resources, the threatened usurpation of official power to which we have referred and also the despotic measure now pending before the Legislature to place us under military rule, suggested as that measure has been, mainly, by the necessity of such a military organization as the bill proposes, to support a usurpation flagrantly fraudulent upon the people, and deeply revolting to all virtuous minds.

Resolved, That the resolution of the General Assembly to refer the question of their right to hold over for two years longer, to the Supreme Court of the State is in direct conflict with the Constitution, which declares that the different departments of the government shall be forever kept separate and distinct and in our opinion the wicked plotters against the liberties of the people, can neither disguise their motive, nor evade their accountability by such a shallow device as this reference to the Supreme Court is, for that court, as a tribunal of law, has no right to give the advice solicited from them, but should they improvidently give it, it will be entitled to no regard on the score of authority and to little respect on any other account.

Resolved, That in our opinion the action of the Judges of the Supreme Court in reference to the calm and dignified protest of the members of the Bar against the indecent intermeddling in party politics of the Judges of the State, was without authority and without precedent in the annals of any State or Government, where the liberty of speech and of the press are recognized, and was highly oppressive to the gentlemen immediately concerned, and of dangerous tendency to the liberty of the people.

Resolved, That by their prodigal extravagance and profligate misuse of the public credit, the present General Assembly have ruined the credit and crippled the resources of the State and have betrayed an utter want of sympathy *with the masses of our our own people*

Resolved, That the citizens of Caswell in good faith adapted themselves to the altered condition of public affairs produced by the late disastrous war, and they do now anxiously wish to cultivate peaceful and fraternal relations with the people of the United States, and to secure to themselves and for their posterity the inestimable boon of civil liberty won for them and transmitted to them by the revolutionary fathers of our great republic.

Resolved, That in our opinion, the people of North Carolina generally, are a peace loving, law-abiding people; and that any allegation or charge to the contrary come from what quarter it may, in reference to the present state of feeling and the present condition of society in the State, is false and libelous.

Resolved, That in our opinion, the very few cases of the infliction of punishment without the sanction of law which have occurred in the State, have, for the most part, been the legitimate fruit of certain oath bound secret combination, known as "Loyal Leagues," and of the diabolical suggestion contained in a Legislative address of *infamous notoriety*, which, under the sanction of the names of the principal leaders of the faction now in power in this State, was made to the colored people, to use even the torch of the incendiary, to force white men to close with them, upon their own terms for labor, and thus give them control in our affairs and secure power in the hands of said faction.

Resolved, That the proceedings be furnished to the editor of the Raleigh SENTINEL with a request that they be published, to the end that our fellow citizens of the State generally, and especially our coadjutors in the good cause of civil liberty may learn that the people of Caswell, although greatly oppressed—are not insensible to the calls of patriotism, nor ignorant of the dangers which threaten the State at this most solemn crisis.

After these resolutions were read several addresses were made, one by Mr. Kerr, another by Livingston Brown, Esq., and a third by Wilson Carey, the colored representative from Caswell, in the House of Representatives. This last named individual came forward and declared that he had voted for the Military Bill—but, as he had told some of his colored friends, he was not certain that he had done right and he did not know that he should vote for it again. He said he did not much like this suspending of the writ of *habeas corpus*, for he had recently learned from personal experience that it was hard to take up a man and put him in jail without allowing him to appeal or to give bail. (The aforesaid representative, was a few days since, arrested upon a warrant issued by a Justice, for retailing liquor without a license, and although as he alleges—there was no sufficient proof against him, he was fined by the Justice, fifty dollars and ordered to jail for fifteen days, or until he paid the fifty dollars. He prayed an appeal, and it was denied him, he offered to give security for his appearance at Court to answer the charges, but this too was denied him, and he was brought to jail and only kept out by borrowing the money and paying the fine.

He has applied to the Judge of this District for a *certiorari*, but he feels like it was a mighty hard case on him.) He further stated that *they told* him it was necessary to have such a law as the military bill, to punish the Ku Klux, for they said that all Democrats *was* Ku Klux, just like all the Republicans was Loyal League men, and that Loyal Leagues would stand up to one another and Ku Klux would stand up to on another, and without such a bill the Ku Klux could not be convicted; that is what *they told him*, he said. He said, likewise, that he had voted for all appropriations of money because *they told him* it was necessary to develop the resources of the State, and thereby the colored people could get better wages. He also said Holden had deceived the white folks badly, as they said, but that Holden had never deceived him *yit*.

When Carey closed his remarks the vote was taken on the resolutions and they were adopted unanimously and with enthusiasm.

Col. Watt offered the following resolution which was unanimously adopted:

Resolved, That the couse in the Legislature of our representative, Phillip Hodnett, Esq., meets our entire approval, and we hereby tender him our thanks, and the assurance of our full confidence.

Confident of its equal advantages with others, of whatever age or standing, it is willing to labor heartily for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. His enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

A NEW BUILDING AND LOAN COMPANY.—There will be a meeting this, Thursday, evening, at the Court House, to organize the People's Building and Loan Association of Raleigh. The friends of the enterprise are invited to attend.

These associations are becoming quite common, and are not only profitable to those who take stock in them, but prove of great convenience to many in the way of assisting them to procure homes.

The plan of the proposed association is somewhat different from that of the Mechanics', which has been in operation here, the difference, it is thought, making it more favorable to shareholders and borrowers.

ANOTHER RUCKER MEETING last night, at the Court House, particulars noticed to-morrow.

PLAYED OUT.—We understand that the Door-keepers of the Senate and House of Commons can get no stationery for the hands from the Secretary of State, for the reason that the bills for the stationery have been presented at the Treasury and protested. Secretary Menninger will not give out any more paper, pens or ink, pencils, envelopes or sealing-wax, until the bills for the purchase of these articles are paid.

We learn that the bill for gas used in the capitol was presented a few days ago, and not paid.

What a spectacle! The honest old State of North Carolina, whose people have just finished paying into her Treasury over a million of dollars of tax, unable, even at the beginning of the year, to pay for the pens and paper used by members of the Legislature, or to settle a gas bill! All the members of the Legislature, except Blythe, getting $7 a day, and still the Treasurer unable to pay for a quire of paper for them to write letters on to "the dear ones at home!" A million of taxes collected and can't pay the gas bill!

Where's the money? WHERE'S THE MONEY! WHERE'S THE MONEY gone to?

No money for the Insane Asylum! No money for the Deaf and Dumb Institute! No money for ice next summer!

A million of dollars collected in taxes by this Radical administration, and can't pay for stationery—can't pay the gas bill!

THE WEATHER.

Bright and balmy real spring-like weather.

We seldom have many such days together; that is, at this time of the year.

BY REQUEST.

ST. JOHN'S HOME FOR ORPHAN CHILDREN.

The Rev. Father McNamara has just carried into effect an idea which he has cherished ever since his first entrance into North Carolina. Having traveled through the various sections of this State, and having carefully considered its condition and its necessities, he conceived the idea of founding in our Capital an Institution designed to protect and educate the unhappy children whom death and other causes have cast unprotected upon the world. He communicated this idea to the Rt. Rev. Bishop Gibbons; and the zeal and and charity of the good Prelate were at once awakened in behalf of a work calculated to operate so much good for his newly established Diocese. The Bishop gave his sanction and his blessing to the proposed undertaking; and now we have actually inaugurated on our midst the institution which the Bishop and the Priest so ardently desired to see established in the bright and beautiful capital of North Carolina.

If Father McNamara's idea can be carried out, this Home will become a great and extensive institution. Its object is to develope it so that within its pale children of all ages will be protected and educated and brought up to trades and avocations which will ensure them respectability and a competence. Owing to want of means Father McNamara is compelled to begin his institution in the most unpretending way. It is a *mustard seed* thrown on the earth beneath the fertilizing sun of Heaven. May it grow, and spread out its branches so as to afford safety and consolation to multitudes of the suffering.

Mrs. Law Carver, a well known North Carolina lady, is now residing with Father McNamara for the purpose of acting a mother's part towards the poor children whom God shall direct to them for protection. Though there are as yet no children of this class confided to her, nevertheless the institution is now inaugurated, and a Home is provided wherein the fatherless will be protected.

The following are the resolutions adopted by the meeting at the Court House, on Tuesday night:

Resolved, 1st. That in the issuing of bonds to Railroad Companies, and for other purposes, the majority of this Legislature have acted improvidently and recklessly, so much as to have defeated the legitimate purpose and object of those bonds, ruined the credit of the State, and entailed upon it either the necessity of repudiation or the payment of millions of dollars for nothing.

2nd. That the story of the first Penitentiary purchase is for reckless indifference to the interests of the State, unparalelled in the history of legislation, and merits the unqualified reprobation of the people.

3rd. That the claim of a majority of this Legislature to hold over for another two years is directly opposed to every provision of the Constitution relating to the tenure of office, anti republican, and without a shadow of foundation.

4th. That the wisdom of the constitutional declaration that "elections should be often held," has been most clearly and conclusively proved by the action of a majority of this Legislature.

PUBLIC MEETING IN CHATHAM.

Pursuant to notice, a large number of the citizens of New Hope District assembled at Bethel Church, on the 8th day of January 1870. Whereupon Kelly Mitchell called the meeting to order and nominated J. K. Gibson as Chairman, and O. E. Harris and E. M. Neal as Secretaries. The Chairman then explained the object of the meeting and stated that the purpose was to take some action in relation to the proposed Military Bill before the Legislature, and the suspension of the writ of *habeas corpus*.

On motion of Kelly Mitchell, the Chairman appointed William Griffin, M. H. Horton, Thomas B. Lasater, John W. Womble, William P. Holt, Solomon D. Crutchfield, Needham Beckwith and M. Q. Waddell, a committee to draft resolutions for the action of the meeting. During the time the committee were out, Col. Wm. P. Taylor being called upon to address the meeting spoke for half an hour with energy and effect upon the vital importance of doing all we could to avert the evil of having the military upon us. Upon conclusion of his remarks, William T. Gunter, one of the members of the General Assembly from Chatham, was loudly called for and responded in a speech full of patriotism, denouncing this Military Bill, as also any attempt of the Legislature to hold over for two years longer, and declared he would resign his seat before he would engage in any such palpable violation of his oath to support the constitution of the State.

The committee to draft resolutions for the action of the meeting having returned from their consultation, made a report through M. Q. Waddell with a recommendation that they adopt the following preamble and resolutions:

WHEREAS, Information has been received by the citizens of Chatham county, that an attempt has been made by the Legislature of North Carolina, to pass a bill giving authority to the Governor of the State to call out the military forces of the same and to procure from the proper authorities a suspension of the writ of *habeas corpus* to be made appliable to several counties in the State, and that Chatham is included in the list to which these measures are to be applied: Now, therefore, we the people of New Hope Township, in Chatham county, assembled at Bethel Church, on this 8th day of January, 1870, do protest against the passage of any such law or any suspension of the writ of *habeas corpus*, for the reason that no necessity exists for so violent and extreme measures as these propositions indicate. We declare as our deliberate well considered judgment, that no county in the State is freer of Revolutionary tendences than Chatham county, that there are no better citizens in the State than the citizens of the county of Chatham; that our courts whenever held, show less infractions of the law; that our juries are composed generally of as upright law abiding men as are to be found in the State and that any attempt to put upon us in a time of profound peace a military force and a suspension of the writ of *habeas corpus*, will have a tendency to break up the increasing desire for entire harmony, and calculated to arouse the almost dormant feeling of hostility to the government as now constituted and bring about a state of anarchy which all good men desire to avert. In view, therefore of the foregoing declarations,

Be it Resolved, That our Senator and members of the House of Representatives from Chatham be requested to lay before their respective Houses this preamble and resolutions immediately upon the assembling of the Legislature on the 10th of January.

Resolved, That an appeal be made to the Legislature through the members representing Chatham County not to put a people already broken in fortune to so heavy a tax as this military bill will force upon us.

Resolved, That no such military force is necessary to preserve good order in our county; that although disturbances have arisen in some neighborhoods, growing out of secret organizations, created for the avowed purpose of denying to every other citizen not of their party the rights guaranteed to them by the Constitution, yet as an entire community, pressed by the ravages of the recent war, and smarting under wrongs they cannot redress, they yelld as full an acquiescense to the demands made upon them by the Government as any other people in like circumstances.

Resolved, That the Governor of the State be requested to use his influence with the Legislature to avert so dire a calamity as the passage of this military bill will inflict upon our people.

Resolved, That we do not approve of any secret organizations which have for their object the ostracising any white man for opinions sake; and while we believe that it is the duty of every good citizen to vote for and sustain principles that will ensure to the colored race protection in their persons and property, we do not concur in the opinion that these people are our equals sociably, and we will never engage in making them promises to advocate such a doctrine and then deceive them by refusing what was promised, but in all things will treat them with the kindness which their subordinate position in society demands, and no further.

Resolved, That North Carolinians though they sometimes have a political obliquity that squints towards extreme Radicalism and which is to be attributed to too great familiarity with carpet baggers and adventurers from other States, yet, if let alone would never abandon the principles of their forefathers, and that we hope and try to believe that all native borne citizens of the State are not prepared to hand over the people to the tender mercies of another two years sitting of "The Long Parliament" which has plunged our State in debt so deeply that the financering ability of Alex. Hamilton could not extricate us.

Resolved, That the public indebtedness of the State, from a wild and extravagant legislation of the past four years, has placed our entire people in a condition pecuniarily from which we see no other honorable escape but utter repudiation of the whole debt, because no people can stand taxes laid upon them to pay 37 millions of dollars by the sale of their bonds at 29 cents on the dollar.

Resolved, That we are opposed to adventurers from other States taking possession of our State bonds and hawking them about Wall Street destroying the credit of N. C. and bringing her to the verge of open Bankruptcy.

Resolved, That if the Legislature does hold over for two years longer it will do so under our solemn protest and if insisted upon will be the death knell to all constitutional liberty.

Resolved, That our thanks are due to Wm. T. Gunter one of our representatives for his vote against the Military bill and that he has shown himself a Conservative Republican worthy to be trusted on that question.

Resolved, That a copy of the proceedings of this meeting be forwarded by the Editors of the *Standard* and SENTINEL with a request that they publish the same.

The Chairman put the question to the meeting and the resolutions were unanimously adopted.

Signed

J. R. GIBSON, Ch'm.

O. E. HARRIS, M. M. NEAL, } Secretaries.

REPENTANT.

Brother Blythe, Senator from Henderson, offered a resolution in the Senate yesterday, for reducing the pay of members one-third. Mr. Forkner offered an amendment limiting the application of the resolution to the Representatives from Henderson, and as thus amended, the resolution passed the Senate.

Be it remembered, however, that brother Blythe voted against his own resolution, when it was narrowed down to apply to himself.

This brought tribulation on the Rev. Senator, who has since, we learn, been earnestly electioneering with Senators to induce them to rescind the resolution.

The passage of this resolution is wanton persecution of a pious man, whose conscience has, no doubt, stung him for receiving so much *quid* for so little *quo*; and because he fixed a salve for his conscience, in the shape of a resolution, they pretended to understand him as being in earnest and voted it through.

We hope they will "pity the sorrows of a poor old man" and rescind the resolution at once, or make it general in its application.

James P. Lusk vs. Commissioners of Richmond County. Argued by Messrs. Ashe, Hinsdale and Leitch, for Plaintiff, Neill McKoy, Esq. for Defendant.

This is an important case, involving the questions, whether or not a debt contracted during the war, by a county, in support of its poor, is valid. The question was ably argued by the counsel on both sides. The argument occupied the morning hour.

MEETING IN GRANVILLE.

Pursuant to previous notice, a very large assemblage of the citizens of Granville county convened in the Court House, in Oxford, on Saturday, January 8th, 1870, for the purpose of expressing their views of certain bills now pending in the Legislature.

On motion of Sam'l. A. Williams, L. A. Paschall, Esq., was called to the chair, and upon further motion Sam'l. A. Williams and Elijah Montague were appointed Secretaries.

The Chairman called on Col. James S. Amis to explain the object of the meeting, which he did in his usual clear and forcible style, when, on motion of Col. Amis, the Chairman appointed a Committee of sixteen (eight whites and eight colored) citizens to draft resolutions expressive of the sense of the meeting.

The Chairman announced the following Committee, viz: James S. Amis, Lawson Wright, Geo. Watkins, Tony Thomas, Thos. B. Lyon, J. R. Davis, Ed. Curren, Abram Hinton, Wm. O. Bobbitt, Elijah Winston, Aaron Alston, B. F. Crews, Ed. Paschall, James A. Skidmore, Ed. Jones.

During the absence of the Committe Hon. R. B. Gilliam was called for and responded in an eloquent and patriotic speech of some length; after which the Committee, through their chairman, Col. Amis, submitted the following preamble and resolutions, which were unanimously adopted:

WHEREAS, The Constitution of this State secures to the people the right to assemble together to consult for their common good, to instruct their representatives, and to apply to the Legislature for redress of grievances. We the people of Granville county, without distinction of party, in Mass Meeting assembled, do resolve as follows, viz:

1st. That the term for which the members of the present General Assembly were elected will expire, by constitutional limitation, on the first Thursday in August, A. D., 1870; and that any extension of their term beyond said period would be not only a fraud upon the rights of the people but a palpable usurpation of authority.

2nd. That we solemnly protest against the passage of the act now pending in the House of Representatives of this State, and which has already passed the Senate, entitled "an act for the better protection of life and property," better known as "the Sheffner bill," *first*, because it authorizes the Governor, upon his mere motion, in a time of profound public peace, to declare any county or counties of the State in insurrection, and to employ the military authority, when the civil is not resisted.—*Second*, because it authorizes the Governor, in a time of profound public peace, to procure the suspension of the writ of *habeas corpus*. *Third*, because it authorizes the State Solicitor, or any District, upon his mere motion, to remove the trial of any person accused of certain specified offences, from the county where the offence may have been committed, to any county he may choose to designate, all which provisions are violations of the constitutional rights and privileges of the people of this state, and dangerous to republican liberty.

3rd. That the members of the General Assembly from this county are hereby instructed to vote against the measures herein before mentioned, and to exert all their influence to prevent the passage of any measure containing similar provisions.

4th. That in view of the embarrassed condition of its finances, the Legislature of this State ought not to make any other or further appropriations of money than are absolutely indispensable to carry on the government.

The following resolution was introduced by R. H. Kingsbury, and unanimously adopted, viz:

Resolved, That the members of the Legislature from this county are instructed, and the members from the other counties of the State are requested to vote against the bill now before the Legislature authorizing the County Commissioners, for this county, to levy a "special tax" of $6,000, for the support of the poor, for the reason that said Commissioners have already levied, for that purpose, the past year, $10,000, and have collected about $7,000, and because the amount already levied is more than double the amount heretofore levied for said purpose, and, judiciously applied, ought to be more than sufficient.

Mr. Kingsbury sustained the above resolution in a few well timed remarks, showing the condition of the finances of the county, and the necessity for more economy in the distribution of the county funds.

During the meeting loud calls were made for Col. L. C. Edwards, who responded in an able and eloquent speech of some length, showing his perfect knowledge of constitutional law and his ardent desire to protect, by the civil law, the rights of persons and property.

On motion, the Chairman was authorized to appoint a Committee of two to place the resolutions, adopted by this meeting, in the hands of the Representatives from this county. The Chairman appointed Sam'l. A. Williams and Tony Thomas said Committee.

On motion, it was ordered that the proceedings of this meeting be forwarded to the Henderson *Index*, Raleigh SENTINEL and *Standard*, with the request that they publish them.

This article is much superior to the Peruvian Guano as a fertilizer. It contains a much larger percentage of *bone phosphate* and soda, and nearly as much Ammonia, its effects upon the land will be seen for years.

The following extracts from certificates received from those who used it last year upon Cotton will have the effect to remove the prejudice produced by the use of manufactured fertilizers, and give confidence in this home made article.

H. Lebermann, Esq., of Bertie county N. C., writes: "I have used your Phosphate Fish Guano in equal quantities side by side with Peruvian Guano and found the product much in favor of your article, the weed was larger, Cotton heavier and the plant kept green through the dry Summer."

J. J. Horton of same State, writes to the same import. Our Circular for Jantery 1870, contains these and other certificates in full.

SAW MILLS.

I AM PREPARED TO PUT UP DOUBLE CIRcular Saw Mills in workman-like manner for those desiring them.

THERE are now 120 of these Mills in operation, and in no case have they failed to give entire satisfaction. One advantage of this Mill is, that the sawyer, without changing his position gives the head ward and fo ward motion to the carriage, with a single lever; and set the log at both ends at the same time, *this is a saving of one hand in the mill*. This is no humbug. I am responsible for what I say. My residence is 20 miles south of Raleigh, on Neal's Creek. For further particulars address me at Raleigh, N. C.

F. J. WRAY.

I will be at Lynn Adams' Store on the 2nd to the 5th of February, where persons desiring to see me will please call.

READ THE FOLLOWING.

Mr. F. J. Wray, Dear Sir:—I am much pleased with my double Circular Saw Mill, built by you. I can cut a log 14 inches deep, 20 feet long, in 45 seconds, with my 12 feet overshot wheel. We have to-day cut 5,000 feet weather-boarding, flooring, and then board, in eight hours.

Dec 23rd 1869. ALDRIDGE PARTIN.

Mr. F. J. Wray:—We are well pleased with our new double action Mill, that you set to work for us. We can cut twice the amount of lumber that we could with the G. S. Mill of 42 inch saw and same water wheel.

P. YATES,
JAMES PENNY.

This last mentioned Mill may be seen on Walnut Creek, 5 miles South of Raleigh.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	$16,54
EQUITABLE,	17,44
NORTH AMERICA,	21,16
BROOKLYN,	21,09
UNIVERSAL,	27,34
JOHN HANCOCK,	18,27
THE NATIONAL,	63,48
THE ÆTNA,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 539 policies, received an income of seventy-eight thousand dollars, and possessed nett assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13,337 new policies, more than any other Company except the Mutual Life; received an income exceeding six million dollars, and had amassed solid, securely and profitably invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
